

HHTC signs MoU with Total Group of Companies

India based Total Freight Solutions Pte Ltd, a part of Total Group of Companies (Total) signed a Memorandum of Understanding (MoU) with Husain al Hadad Trading and Contracting LLC (HHTC) of Oman, to offer logistics solutions to companies in Oman.

Husain al Hadad, owner of HHTC Oman welcomed the participants at a signing ceremony held at the City Seasons Hotel. "We see a lot of potential for growth in the logistics sector in Oman. Oman's strategic geographic location and its strong international trading ties make it ideally suited to become a logistics hub."

"We are very excited to be in Oman," said Vivek Gupta, managing director of Total Group.

"We are here to fill the service gaps and offer customised solutions, which the large, established logistics companies may not be willing to provide. This philosophy as well as our keen focus on quality and customer

service has enabled us to gain acceptance and rich experience in new markets."

Total is a 53 year old group with a strong network of 130 offices in India, overseas offices in China, Hong Kong and Singapore and affiliate network in many other countries including Europe.

In a presentation, Padmanabhan (Ravi) Ramaswamy and Praveen Kumar Singh explained

that Total, through its various companies, offers a wide variety of logistics solutions to industries in almost all sectors. "We offer transportation, warehousing and management, air & sea freight forwarding, customs clearances, distribution and specialised services such as aircraft charter. We invite companies in Oman to talk to us for any of their requirements."
